THE DECORATIVE FLOORING ALTERNATIVE

Metallic system is a decorative, high-gloss system designed for use in Residential & Commercial environments.

As an epoxy-based system, Metallic system is long-lasting, non-yellowing, colour stable and is the perfect surfacing choice for clients requiring a high-end finish to their home, showroom or commercial space.

Metallic system floors are unique. Create a floor to suit your interior, brand or existing showroom or business colour scheme.

Installed by Sydney Epoxy Flooringin Australia, Metallic system floors are designed & tested for Australian Conditions. Metallic system will prove a lasting, stylish & unique surface each & every time.
